

Akuvox SmartPlus: Adding Members

1. Sign into the SmartPlus App

The screenshot shows the login interface of the Akuvox SmartPlus app. At the top, there is a QR code icon in the top left corner. The header features the 'Akuvox' logo with the tagline 'Open A Smart World' and the 'SmartPlus' logo with a cloud and bell icon. Below the header, there is a dropdown menu for 'Enduser' with a user icon and a downward arrow. Underneath, there are two input fields: the first for the username, indicated by a user icon, and the second for the password, indicated by a lock icon. Both fields are currently obscured by orange bars. To the right of the password field, there is a link that says 'Forgot Password'. At the bottom of the form is a large blue 'Login' button. Below the button, there are two links: 'Login Via SMS' on the left and 'Oceania' on the right.
